Dear Mr. Garneau,

On behalf of the Canadian Association of Professional Immigration Consultants, I would like to commend you and your colleagues on your tireless work for the Intergovernmental Task Force on Irregular Migration, which has seen a reduction in backlogs and enhanced engagement between various levels of government. You have reacted swiftly and efficiently to a challenge that necessitated immediate attention.

You may rest assured that all the resources at CAPIC's disposal, including the wealth of knowledge and experience that our members possess, are readily available should you require them. Our members can also offer *pro bono* consultations, as they have always done, to the affected refugees.

I trust that your team will continue to maintain the high level of government engagement that we are now accustomed to.

Yours Truly,

Dory Jade, C.Dir  
Chief Executive Officer
