**Dear Ms. Lesley Soper,**

CAPIC was very satisfied to read of the recent CBSA arrest of two unauthorized representatives who were providing false counselling information and forging documentation. CAPIC, like the CBSA condemns any actions that violate the Immigration and Refugee Protection Act. We are all aware of the detrimental impact that unauthorized representatives can have for the people affected and the industry as a whole. As a valued partner to CAPIC we would like to thank you and the entire Canada Border Services Agency employees for their hard work, dedication, and passion to continue enforcing the laws and security of the nation's borders.

We are very grateful for our continued cordial relationship and we look forward to working with you and assisting the CBSA in any way that we can. I can say that without a doubt in mind, that CAPIC members enjoy having the opportunity to hear from the CBSA regarding matters of immigration.

CAPIC looks forward to our continued dedication and treasured relationship to achieve our mandates and objectives while maintaining the laws set out in the Immigration and Refugees Protection Act.

Sincerely,
