Re: Congratulations on Your Appointment; CAPIC Looks Forward to Working with You in Your New Role

Dear Minister,

On behalf of the Canadian Association of Professional Immigration Consultants (CAPIC), I would like to express my thanks and appreciation for your work as Minister of Immigration, Refugees and Citizenship, especially for your participation as a keynote speaker at our annual National Citizenship and Immigration Conference.

I would also like to extend sincere congratulations on your recent election victory and appointment as Minister of Public Safety. As you know, CAPIC is a major stakeholder in immigration and citizenship policy. Our organization represents almost 4000 immigration and citizenship consultants who assist newcomers working, studying, visiting, or moving to Canada.

The pandemic has clearly illustrated the importance of your ministry for our members and their clients, and our organization looks forward to working with your department on all immigration and refugee border matters.

Congratulations on your election victory, CAPIC wishes you continued success in your role as Minister of Public Safety.

Sincerely,

Dory Jade, C. Dir.
Chief Executive Officer
