**Re: Congratulations on Your Appointment; CAPIC Looks Forward to Working with You to Strengthen Canada's Immigration System**

Dear Minister,

On behalf of the Canadian Association of Professional Immigration Consultants (CAPIC), I would like to extend sincere congratulations on your recent election victory and appointment as Minister of Immigration, Refugees and Citizenship.

CAPIC has forged and maintained strong relationships with all tiers of government and has been formally recognized as the leader of, and advocate for, immigration and citizenship consultants and the immigration consulting profession. CAPIC is a major stakeholder in immigration and citizenship policy. Our organization represents almost 4000 immigration and citizenship consultants who assist newcomers working, studying, visiting, or moving to Canada.

I know you share CAPIC's view that immigration is a fundamental component of Canadian identity and a vital part of the country's economy. CAPIC is an authority in the immigration industry and our organization is happy to work with your department on all immigration matters.

Congratulations on your election victory, CAPIC wishes you continued success in your role as Minister of Immigration, Refugees and Citizenship. We look forward to working with you to strengthen and improve Canada's immigration system.

Sincerely,

Dory Jade, C. Dir.
