Re: Designing a Robust System of Skilling of Young Workforce from Punjab (India) to Enhance the Overseas Migration Outcomes

Dear Dr. Sharma,

Thank you for the invitation to attend the roundtable discussion on November 17, 2021. Unfortunately, I will not be able to take part in this event.

CAPIC has been recognized by the Canadian government as the leader of, and advocate for, immigration and citizenship consultants and the immigration consulting profession by the Government of Canada. CAPIC is a major stakeholder in immigration and citizenship policy. Our organization represents almost 4000 immigration and citizenship consultants who assist newcomers working, studying, visiting, or moving to Canada.

As such, CAPIC plays an advocacy role in Canada's immigration industry. Therefore, the scope of our mandate does not include nurturing relationships between third parties such as designated learning institutions and foreign governments and it would be inappropriate for CAPIC to participate in this event.

Thank you for your time and consideration in this matter.

Sincerely,

Dory Jade, C. Dir.
Chief Executive Officer
