Re: Opening of the College of Immigration and Citizenship Consultants

Dear Gerd,

It brings me great pleasure to write to you as the College of Immigration and Citizenship Consultants (CICC) officially opens. This is a remarkable achievement for our profession and industry, and it would not have been achieved without your steadfast efforts and consummate leadership.

Your guidance on the topic of self-regulation and the College Act were essential to CAPIC's lobbying efforts and are deserving of recognition from our entire association. Your colleagues appreciate the significant role you played in this achievement and the way you have improved our industry for all.

I want to thank you personally for all you have done to ensure the College was created, for the considerable time you have committed to this goal and for your continued efforts to improve our profession.

Sincerely,

Dory Jade, C. Dir.
Chief Executive Officer
