CAPIC Referral Discount Rules

- If an active CAPIC member refers someone to CAPIC, 50% discount automatically applies to the following year membership dues invoice.
- Referred applicant must provide a name and/or CAPIC ID of the referring Member on the application at the time they apply.
- Referral discount applies after membership application of the referred applicant is approved.
- Referral discount is applicable to all membership types and membership package options of the referring and referred account.
- Discount cut off December 31 and apply to the following membership year. For example, a referral discount, approved Jan - Dec 2023 will be applied to 2024-2025 membership dues invoice.
- There is a maximum of 2 referrals to be applied to member's account per year. Excess referrals (over 2 per year) will be transferred to the following membership year's dues. The unused referral credits are valid for two membership years.
- If a coupon or discount applies to the membership the 50% referral discount applies on the remaining amount and not the total membership before the discount.
- Referral discount will be forfeited when a referred member resigns or goes on a Leave of Absence and cannot be claimed when member returns to active status.
