

Mr. Michael Huynh
President and Chief Executive Officer
College of Immigration and Citizenship Consultants

August 20, 2026

Dear Mr. Huynh:

On behalf of the Canadian Association of Professional Immigration Consultants (CAPIC), I would like to extend our sincere congratulations on your appointment as President and Chief Executive Officer of the College of Immigration and Citizenship Consultants (CICC).

Your appointment is welcome news to CAPIC and our members. In your previous role as the College's Director of Professional Conduct, you engaged directly with CAPIC on the standards that govern the profession. This established relationship between you and CAPIC provides a strong foundation of mutual understanding for continued collaboration in promoting ethical and competent practice among CICC licensees.

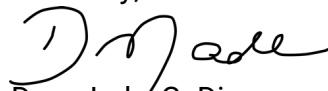

CAPIC supports our objective of protecting the profession through continuing professional development, mentorship, and practice-management resources that help members maintain high-quality client service. At the same time, CAPIC has developed new strategies to address the ongoing issue of unauthorized practitioners (UAPs), whose conduct continues to threaten the profession and often leads media outlets to conflate UAPs with CICC licensees.

While CICC and CAPIC hold distinct mandates, we share the same objectives when it comes to ethical and competent practice and UAP crackdown. We can continue to work together to achieve the best effect.

I would welcome the opportunity to meet with you at your earliest convenience to discuss both priorities and how the CICC and CAPIC can advance them together.

Congratulations once again on your appointment. We wish you every success in the role and look forward to working with you and the CICC team under your leadership.

Sincerely,

Dory Jade, C. Dir.
Chief Executive Officer
CAPIC-ACCPI
