Good Day,

We wanted to let you know that the instructions for the IMM0008 web form in the PR Portal have been updated to align with the instructions on the IMM0008 when it comes to providing details about dependents who are already permanent residents or citizens of Canada.

The instructions in the portal should now show the following:

Generic application form for Canada (IMM 0008)

Dependants

You must provide details about each of your family members, whether they will come with you to Canada or not. **You must include** your spouse or common-law partner, if applicable, and all of your dependent children, and those of your spouse or common-law partner, who are not already permanent residents or citizens of Canada.

We hope this addresses concerns that were previously raised by your groups.

Thank you,

Immigration Representatives Coordination Unit
