Dear Mr. Flanagan,

On behalf of the Canadian Association of Professional Immigration Consultants, I want to congratulate Queen's University Faculty of Law on being the sole accredited English language provider of a new Graduate Diploma in Immigration and Citizenship Law.

The unveiling of such an esteemed program represents a significant milestone in our profession and a welcome sign of progress that complements the *College of Immigration and Citizenship Consultants Act*, which will greatly enhance consumer protection.

CAPIC will gladly commit its resources, including the wealth of knowledge and experience that our members possess, to cooperate on the development of the program in whatever capacity. For instance, we would love the opportunity to present our Award for Academic Excellence and inform your students of the benefits of CAPIC student membership, should this be appropriate.

I trust that we will continue to see further improvements to immigration and citizenship law training, the immigration consulting profession, and the lives of both future and current Canadians.

Yours truly,

Dory Jade, C.Dir
