Dear Dory Jade:

Thank you for your kind words and congratulations on my new role as Minister of Immigration, Refugees and Citizenship.

I am humbled to have been appointed by the Prime Minister to this important portfolio. I look forward to working hard for the benefit of Canadians and newcomers to Canada. Immigration is a key pillar of Canada's economy and will play an integral role in Canada's future. Newcomers bring their talent, ideas, and perspectives, making them valuable contributors to Canada's economic and diverse social fabric.

I will work with Immigration, Refugees and Citizenship Canada officials, and reach out to partners and stakeholders, to ensure Canada's continued growth as a destination of choice and as a country of refuge for those seeking protection from persecution and conflict.

I would like to acknowledge your wish to meet. Though my schedule is such that I am not able to meet in the coming weeks I have asked my team to meet with you or your team and they will be reaching out shortly.

Yours sincerely,
