Re: Recommend replacing the name of ICCRC with CICC in the NSNP Common Terms

Dear Sir/Madam,

Canadian Association of Professional Immigration Consultants (CAPIC) is the sole association recognized by the Government of Canada as the [voice](#) of RCICs and is committed to promoting the ethics and competence of our members and protecting the [integrity](#) of the RCIC profession and the Canadian immigration system.

CAPIC noticed the updated version of NSNP 50 – Use of Representative form, which shows the regulator of RCICs as the College of Immigration and Citizenship Consultants (CICC). Therefore, we believe that you are fully aware of the [coming into force](#) of the [College of Immigration and Citizenship Consultants Act](#), S.C. 2019, c. 29, s. 292 (the College Act), which established CICC, the regulatory body for RCICs. CICC has since replaced the Immigration Consultants of Canada Regulatory Council (ICCRC).

However, CAPIC noticed that ICCRC is still used in the NSNP [Common Terms](#), and thus we would like to bring this to your attention in assisting the NSNP with consistency.

CAPIC is willing and able to assist in immigration legislation, regulation, and policy development as well as program improvements. If we may further assist with the NSNP, we will be glad to work with you and your team.

Yours Truly,

Dory Jade, C. Dir.
Chief Executive Officer
CAPIC-ACCPI
