**Re: Recommend replacing the name of ICCRC with CICC in the NBPNP Use of Representative Form to reflect the legislative change**

Dear Sir/Madam,

The Canadian Association of Professional Immigration Consultants (CAPIC) would like to bring to your attention the use of the outdated name of the former designated organization, namely the Immigration Consultants of Canada Regulatory Council (ICCRC), overseeing the practice of RCICs, in Section A of the [NBPNP Use of Representative Form](#) and on your web page, [Using a representative](#).

On December 9, 2020, with the [coming into force](#) of the [College of Immigration and Citizenship Consultants Act](#), S.C. 2019, c. 29, s. 292 (the College Act), the College of Immigration and Citizenship Consultants (CICC), the regulatory body for RCICs established by the College Act, replaced the ICCRC.

CAPIC noticed that in the NBPNP guides, the name ICCRC has been replaced by CICC. We believe you are fully aware of the legislative change and are sending this letter with the hope of assisting the NBPNP in updating the above-mentioned form to reflect the legislative change as well as maintain consistency.

Being the sole association recognized by the Government of Canada as the [voice](#) of RCICs, CAPIC is committed to promoting the ethics and competence of our members and protecting the [integrity](#) of the RCIC profession and the Canadian immigration system. CAPIC is willing and able to assist in immigration legislation, regulation, and policy development as well as program improvements.

If CAPIC may further assist with the NBPNP, we will be glad to work with you and your team.

Yours Truly,

Dory Jade, C. Dir.  
Chief Executive Officer  
CAPIC-ACCPI
