Re: Recommend replacing the name of ICCRC with CICC in the PEI PNP Use of Representative Form and guides to reflect the legislative change

Dear Sir/Madam,

Canadian Association of Professional Immigration Consultants (CAPIC) is the sole association recognized by the Government of Canada as the [voice](#) of RCICs and is committed to promoting the ethics and competence of our members and protecting the [integrity](#) of the RCIC profession and the Canadian immigration system.

CAPIC would like to bring to your attention the use of the outdated name of the former designated organization, namely the Immigration Consultants of Canada Regulatory Council (ICCRC), overseeing the practice of RCICs, in the [PEI PNP Use of a Representative Form](#) (see Section B, items 1 and 2).

On December 9, 2020, with the [coming into force](#) of the [College of Immigration and Citizenship Consultants Act](#), S.C. 2019, c. 29, s. 292 (the College Act), the College of Immigration and Citizenship Consultants (CICC), the regulatory body for RCICs established by the College Act, replaced the ICCRC.

CAPIC is willing and able to assist in immigration legislation, regulation, and policy development as well as program improvements. If we may further assist with the PEI PNP, we will be glad to work with you and your team.

Yours Truly,

Dory Jade, C. Dir.
Chief Executive Officer
CAPIC-ACCPIC

President & CEO, Registrar, CICC
