## **Statement by CAPIC on Ron Liberman's Appointment to the IRB**

The Canadian Association of Professional Immigration Consultants (CAPIC) formally congratulates immigration and citizenship consultant Ron Liberman, a long-time CAPIC member and its former Lobbying Committee Chair, for his appointment as a full-time member of the Immigration and Refugee Board of Canada (Vancouver Regional Office).

"Mr. Liberman's appointment highlights the integral role immigration and citizenship consultants can play in policy-making and underscores their competence in the Canadian immigration industry more broadly," said Dory Jade, CAPIC's Chief Executive Officer.
